

(d) Upon receipt of the notification described in paragraph (c) of this section, the PHA must demonstrate, within the time period permitted in the notification, factual error in the Department's description of events, occurrences, or conditions, or show that the events, occurrences, or conditions do not constitute noncompliance with the statute, regulation, or covenants or conditions to which the PHA is cited in the notification.

§ 901.210 Interventions.

(a) Interventions under this part (including an assumption of operating responsibilities) may be limited to one or more of a PHA's specific operational areas (e.g., maintenance, modernization, occupancy, or financial management) or to a single development or a group of developments. Under this limited intervention procedure, the Department could select, or participate in the selection of, an AME to assume management responsibility for a specific development, a group of developments in a geographical area, or a specific operational area, while permitting the PHA to retain responsibility for all programs, operational areas, and developments not so designated.

(b) Upon determining that a substantial default exists under this part, the Department may initiate any interventions deemed necessary to maintain decent, safe, and sanitary dwellings for residents. Such intervention may include:

(1) Providing technical assistance for existing PHA management staff;

(2) Selecting or participating in the selection of an AME to provide technical assistance or other services up to and including contract management of all or any part of the public housing developments administered by a PHA;

(3) Assuming possession and operational responsibility for all or any part of the public housing administered by a PHA; and

(c) HUD may take the actions described in this part sequentially or simultaneously in any combination.

§ 901.215 Contracting and funding.

(a) Upon a declaration of substantial default or breach, and subsequent assumption of possession and operational responsibility, the Department may enter into agreements, arrangements, and/or contracts for or on behalf of a PHA, or to act as the PHA, and to expend or authorize expenditure of PHA funds, irrespective of the source of such funds, to remedy the events or conditions constituting the substantial default.

(b) In entering into contracts or other agreements for or on behalf of a PHA, the Department shall comply with requirements for competitive procurement consistent with 24 CFR 85.36, except that, upon determination of public exigency or emergency that will not permit a delay, the Department can enter into contracts or agreements on a noncompetitive basis, consistent with the standards of 24 CFR 85.36(d)(4).

(1) Include a requirement for residents to notify the Department if they want to be involved in the selection process; and

(2) Include a requirement for the PHA that is the subject of the RFP to post a notice and a copy of the RFP in a prominent location on the premises of each housing development that would be subject to the management chosen under the RFP, for the purposes of notifying affected residents that:

(i) Invites residents to participate in the selection process; and

(ii) Provides information, to be specified in the RFP, on how to notify the Department of their interest.

(b) Residents must notify the Department by the RFP's application due date of their interest in participating in the selection process. In order to participate, the total number of residents that notify the Department must
